Gary,

Attached is a map, that shows the current tanks at the Falcon Refinery, that should be helpful with the email I sent a few minutes ago.

As it stands, Tanks 2, 7, 10, 17, 18, 21, 22, 23, 24 26, 27 and 30 contain oily waste.

Tanks 12 and 14 are empty.

Tanks 13, 15 and 16 are being used by Superior Oil.
